Pacific Point – 5-1/2" x 1 ½"

Instructions:

1. Punch end of 5-1/2" x 1-1/2" piece of Pacific Point cardstock with Triple Banner Punch. Using a Bone Folder, break down the fibers in the piece by "curling" the paper, like you're curling gift ribbon, until layers start to separate. Pull apart to reveal "faux suede." Add to Mango Melody card base.
2. Stamp Abstract Impressions "ground" swish at bottom of a 3-1/4" x 3-3/4" piece of Whisper White cardstock in Granny Apple Green ink. Add stems in full strength and stamped off.
3. Add flowers in Mango and "highlights" in Poppy Parade ink. Add Butterfly in Pacific Point.
4. Flick the tip of a Poppy Marker over the image for flecks and adhere to a 3-1/2" x 4" piece of Poppy Parade. Pop up onto card front with Dimensionals. Embellish with Rhinestones.
5. Stamp Thank You in Pacific Point onto White ½" stripe and punch the banner end. Pop up onto card with Dimensionals.
