Calypso Coral, Lovely Lipstick, and So Saffron Card Stock: Scrap pieces approx. 1 ¼" x 1 ¼"

Whisper White Card Stock: approx. 2 ¾" x 2 ¾"

Instructions:

1. Run SNAIL adhesive on the back of the longest edge of a 3" x 5-1/2" piece of Garden Impressions DSP. Add the Tulle Ribbon along this edge, gathering it as you go, creating a little ruffle that will peek out from under the paper. Trim the ribbon, then mount the piece to a Lovely Lipstick card base.
2. Stamp the Abstract Impressions sentiment in Lovely Lipstick ink onto Whisper White cardstock, then die-cut with the Layering Circles Framelits.
3. Die-cut a circle from the yellow polka dot Garden Impressions DSP with Layering Circles Framelits, then adhere the sentiment to it with SNAIL. Pop up the layers onto the card front with Dimensionals.
4. Die-cut the small flowers from Calypso Coral, So Saffron & Lovely Lipstick cardstock with the Springtime Impressions Thinlits. Attach the flowers with Multipurpose Glue to the circles.
5. Add a Faceted Dot in the center of each flower. Lift the petals of the flowers to give dimension.
