1. Lay the Pattern Party Deco Mask on the front of the Blushing Bride card base and temporarily tack down with any washi tape. Use the Palette Knife to spread a thin layer of Embossing Paste over the mask. Carefully lift off mask and let dry.
2. Wrap Burlap Ribbon around the card front, position the ends in the center so that they will be behind the focal point and secure the ends in place with Glue Dots.
3. Cut another length of Burlap and snip apart only 4 strands. Tie a bow and adhere to the top center of the card front using a Glue Dot.
4. Using the Big Shot and the Layering circles, cut a 2-3/4" scallop circle from Early Espresso. Adhere over Burlap Ribbon using Dimensionals.
5. Using the 2-1/4" Circle punch, punch a Blushing Bride circle and adhere using SNAIL.
6. Using the Big Shot and the Birthday Friends Framelits, cut a poodle from the Birthday Memories Designer Series Paper. Adhere with Dimensionals.
