Gold Foil: 2" x 2"

Granny Apple Green Card Stock: 2" x 2"

Instructions:

1. Assemble pillow box by pinching the center and folding the ends in along the score lines. No adhesive needed. Note: the notched side is meant to be folded in first.
2. Die-cut the smallest label shape from the Stitched Seasons framelits from 2-3/4" x 3-1/2" Whisper White cardstock.
3. Stamp leaf image from the Blended Seasons stamp set using Memento black ink onto the left side of the label shape.
4. Stamp the leaf image again onto a scrap of white for some extra smaller leaves.
5. Color all the leaves on the label shape using the Stampin' Blends (and a couple of the smaller ones on the scrap cardstock). Start with a layer of light daffodil, then add a bit of light pumpkin along the veins of the leaves. Blend with the dark daffodil and then blend the entire leaf with the light daffodil. If you'd like a bit more orange, add a bit of the dark pumpkin.
6. Pop up the label shape onto the pillow box using Dimensionals.
7. Stamp greeting using black ink and trim ends as shown.
8. Add this to the pillow box using Dimensionals.
9. Die-cut the Granny Apple Green leaves and tuck under the greeting with Glue Dots.
10. Die-cut the Gold Foil leaves and tuck under the greeting with Glue Dots.
11. Cut out two of the smaller colored leaves from the scrap and add them to the pillow box with Glue Dots.
