- Die-cut a large Whisper White label with Stitched Seasons Framelits. Adhere to card front with SNAIL.
- Tie Granny Apple Green Texture Weave Ribbon around the card front into a double-knot.

- Stamp the floral image in VersaMark onto the Gorgeous Grape cardstock, sprinkle on Copper Embossing Powder, tap off excess, then heat set with the Heat Tool until glossy and smooth.
- Color in the image using an Aqua Painter and White Craft Ink. Smoosh the pad before opening, then use the ink from the lid as a palette. Apply a thin film of white and allow to dry thoroughly.
- Color the images with dry Watercolor Pencils as desired, then blend the color with an Aqua Painter. After it's dry, buff with a tissue to bring the shine back to the copper embossing.
- Die-cut the watercolored image with a smaller Stitched Seasons label and pop up with Dimensionals.
- Stamp the Blended Seasons sentiment onto the Whisper White strip in VersaMark and emboss with Copper. Ship the end into a fish-tail, then adhere to the card front with SNAIL.
- Add a couple of Glitter Enamel Dots.
