Instructions:

1. Fold on all score lines. Place a piece of tear & tape on the 1/2" section on each piece of Highland Heather.

- Adhere DSP to both of the Highland Heather pieces. Fold the card base flat, remove the backing from the tape, fold the tab down and adhere.

- Line up the bottom edge of the “step” with the bottom edge and the left edge of the card, remove the tape backing, and adhere the tab. The lower portion of the step will still be loose. Adhere it just at the very bottom with SNAIL adhesive.

- Stamp the outline of the butterflies in Tuxedo Black ink.
- Stamp the inside of the wings in Highland Heather ink.
- Use the Balmy Blue Light Stampin’ Blend to add some blue details to the wings.
- Punch out the butterflies with the Butterfly Duet punch.
- AFTER punching out the butterflies, stamp the center body portion of both butterflies in Tuxedo Black ink.
- Punch 1” x 3” with the banner punch. Stamp “Sweet Wishes” on banner in Tuxedo Black.
- Stamp “Celebrate Your Day” in Tuxedo Black on the 4” x 4 ¼” white piece. Adhere the ¾” x 4” strip of DSP at the top. Adhere this to the back of the step card. This is the “inside” of the card.
- Adhere the banner to the front of the card. Embellish with Gingham Gala Sequins.
- Tie a knot in the Flax Ribbon, adhere to the card with 3 mini glue dots (one in the center and on each ribbon tail).
- Fold the butterflies in half so the “fly”, adhere to the card with mini glue dots.
- The card folds flat and fits in a standard envelope for mailing. Then the recipient can stand it up to display.
