## Instructions:

1. Stamp balloon image in Night of Navy ink on scrap of whisper white cardstock, and cut out using thinlits and Big Shot. Set aside.
2. Adhere strips of designer paper to one of the Whisper White panels. It's easiest to start with the middle strip – line it up right in the middle, then you can add the two side strips.
3. Adhere clouds pattern to smaller whisper white piece. Tie white ribbon around this panel.
4. Assemble front of card as shown, using Stampin' Dimensionals to pop up the balloon.
5. For the inside of the card, stamp sentiment in night of navy ink. Assemble as shown.

Note: you can use any of the patterns in the designer paper pack! This is a great layout to use up your scraps!!
