- **Myths & Magic 6" x 6" Glimmer Paper:** Small scrap of the Iridescent

Instructions:

1. Score and fold the Whisper White card base at 4-1/4"
2. Die cut two CELEBRATE words from the piece of Thick Whisper White, positioning them close to the top so there is enough room to do Step #3.
3. At the bottom of the piece, create a "wash" of the Stampin' Blends in this order: Cherry Cobbler, Pumpkin Pie, Daffodil Delight, Old Olive, Night of Navy, and Rich Razzleberry to create a rainbow. Place the CELEBRATE die on the wash and cut a third piece.
4. Adhere the three layers together and set aside.
5. Die-cut the word YOU with a small piece of Iridescent paper.
6. Run the 5-1/4" x 4" piece of Whisper White through the Big Shot with the Scattered Sequins Embossing Folder and adhere it to the folded card base.
7. Add Mini Stampin' Dimensionals to the back of the layered CELEBRATE and place it on the embossed panel.
8. Add Mini Dimensionals to YOU and place it below CELEBRATE.
9. Randomly add some of the Adhesive-Backed Sequins to the card panel.
