Measurements:

Daffodil Delight: 8 ½” x 5 ½”, 4 ½” x 3 ¼”, and 3 ½” x 2 ¼”, scrap for flower center

Whisper White: 5 ¼” x 4”, 4 ¼” x 3”, 3 ¼” x 2”, 2 ¾” x 5 ½” strip for daisies, scrap for sentiment

Polka Dot Tulle Ribbon: 8”

Instructions:

1. Temporarily adhere 3 Whisper White card stock rectangles, measuring 5 ¼” x 4”, 4 ¼” x 3”, 3 ¼” x 2”, centered on top of other on another using a couple dabs of SNAIL Adhesive. Prior to sticking the pieces together, touch the adhesive to clothing to reduce the stickiness.
2. Stamp the Daisy Lane leaves in Old Olive ink to create a foundation for the focal point.
3. Stamp the smallest Daisy Lane daisy across the card layers in Smoky Slate ink. Color in the daisy centers using the Dark Daffodil Delight Stampin’ Blends marker. It is expected that the stamped images will be missing at the edges of each overlapping layer. Carefully pull the 3 pieces apart.
4. Fold Daffodil Delight card stock in half for card base. Adhere largest Whisper White piece to the card front. Adhere the other two White pieces to their respective mat layers: 4 ½” x 3 ¼” and 3 ½” x 2 ¼” in Daffodil Delight cardstock. Adhere each layer to the card base, lining up the stamped images. The Daffodil Delight frames should cover the areas where the images were missing.
5. Stamp 2 large Daisy Lane daisy images in Smoky Slate ink on Whisper White, then punch out using the Daisy Punch. Use bone folder to slightly curve the petals for added dimension. Adhere daisy images together with the petals off set to make a full daisy.
6. Stamp large daisy image on scrap of Daffodil Delight using Daffodil Delight ink and punch out center using ½” Circle Punch. Adhere circle to daisy center with a Dimensional. Apply Wink of Stella, as desired.
7. Adhere the punched daisy to the card front using a Dimensional.
8. Stamp “Smile” on Whisper White scrap with Black Memento ink and die-cut with the smallest nested label die. Adhere to card front with Dimensionals.
9. Make a bow with the Polka Dot Tulle ribbon and adhere to card front with a Mini Glue Dot.
