

# Delightfully Detailed Copper Leaves Card

Compliments of [www.TooCoolStamping.com](http://www.TooCoolStamping.com)

## Supplies:

**Stamp Sets** – Beautiful Day (145915); Rooted in Nature Bundle (w: 148352, c: 148353)

**Cardstock** – Cajun Craze (119684); Copper Foil (142020); Delightfully Detailed Laser-cut Specialty Paper (146907); Whisper White Thick Cardstock (140272)

**Stamp Pads** - Versamark (102283)

**Misc.** – Copper embossing powder (141636); Heat Tool (129053); Embossing Buddy (103093); Big Shot Die-Cutting Machine (143263); Silicone Craft Sheet (127853); Sponges ( 141337); Multipurpose Liquid Glue (110755); Glue Dots (103683)

## Measurements:

Cajun Craze: 4-1/4" x 11", scored at 5-1/2" (base card)

Copper Foil: 3-1/2" x 5" and a scrap for the leaves

Delightfully Detailed: One panel ~ 3-1/2" x 5"

Whisper White Thick: 4-1/4" x 1-1/8" x

## Instructions:

1. Cut out a 3-1/2" x 5" laser-cut rectangle from the Delightfully Detailed Specialty Designer Series Paper, lay it on a Silicone Craft Mat and sponge on Multipurpose Liquid Glue on the back.
2. Adhere the DSP onto a 3-1/2" x 5" piece of Copper Foil. Mount onto a Cajun Craze card base.
3. Rub your embossing buddy over the 4-1/4" x 1-1/8" Whisper White Thick cardstock. Stamp Beautiful Day greeting in VersaMark ink, then heat emboss with the Copper embossing powder. Pop up with Dimensionals onto card front.
4. Cut the Copper Foil leaves with the Nature's Roots Framelits leaf outline, then run it back through the Big Shot with the coordination embossing die to add detail to the leaves. Attach with Glue Dots.
