Measurements

Pear Pizzazz 5-1/2" x 8-1/2", Very Vanilla 4" x 5-1/4",

DSP: 3" x 5"

Gold Foil Sheet: 3" x 5"

Instructions

1. Score Pear Pizzazz at 4-1/4" and fold in half.
2. Using the multi-dragonfly thinlit, run the Very Vanilla layer through the Big Shot. Position it as shown. Also run the Gold Foil piece through the Big Shot with the same die.
3. Starting at the bottom of the Very Vanilla layer, stamp with Pear Pizzazz ink using the dots stamp. Stamp off with the ink as you stamp to the top of the layer to create a light, random background.
4. Adhere the 3" x 5" piece of DSP to the back of the Very Vanilla piece behind the opening created with the multi-dragonfly thinlit.
5. Inlay the Gold Foil piece and add adhesive to the dragonfly bodies and tails. Leave the wings free to pop up.
6. Stamp the sentiment at the bottom with Archival Basic Black ink.
7. Spatter the card with the Gold Wink of Stella brush.
