

# Father Christmas Greetings

Compliments of TooCoolStamping.com

## Supplies:

**Stamp Sets:** Father Christmas (w 142122, c 142125)

**Inks:** Soft Suede (126978)

**Paper:** Soft Suede (115318), Very Vanilla (101650)

**Accents:** Metallic Thread Gold (138401), Pearl Basic Jewels (119247), Very Vanilla ½" Lace Trim (141672)

**Tools:** Big Shot Die-Cutting Machine (143263), Layering Ovals Framelits (141706), Stampin' Sponges (141337), Stampin' Dimensionals (104430), SNAIL (104332)

## Measurements:

Very Vanilla cardstock: 5-1/2" x 8-1/2", score at 4-1/4" to make card base, 4-1/8" x 5-3/8" for top layer of card, 3-1/2" x 2-1/2" for oval to stamp image

Soft Suede cardstock: 3-3/4" x 3" for oval behind image

Metallic Thread: 6-8"

Lace trim: 5"

## Instructions:

1. Using Soft Suede Ink, stamp "Christmas Greetings" on top of Very Vanilla layer piece and the swirled border image on the bottom. Each image should be about 1/8-1/4" from the edge. Adhere to the Very Vanilla Card base. Sponge the edges with Soft Suede.
2. Using Soft Suede ink, stamp Father Christmas image onto smallest Very Vanilla piece and run through Big Shot using plain oval framelit that is the third largest. Sponge edges with ink.
3. Using next to largest oval framelit and Soft Suede piece, run through Big Shot. Adhere two pieces together.
4. Run SNAIL on the back of the Soft Suede oval piece and then attach loops of metallic thread to the back so it peeks out from the edges.
5. Add more SNAIL over the Metallic Thread and attach a piece of Lace Trim to the back of the oval. Then pop up the oval onto card front with Dimensionals.
6. Add the smallest pearls to the swirl images in each corner of the card.
