2. Stamp greeting in Cherry Cobbler ink at the left bottom of the White embossed mat.
3. Adhere the DSP at an angle on the upper right corner of the Whisper White piece, then trim off any excess. Adhere the layers to the Cherry Cobbler card base.
4. Cut two sizes of circles from the Stitched Shapes dies; larger one in Cherry Cobbler, smaller in White.
5. Stamp Gnome images in Memento Black ink onto the white circle and color with Stampin' Blends Markers. Color the hat with Cherry Cobbler and Shaded Spruce. Color the shoes in light Crumb Cake and the beard in Smoky Slate. Use Petal Pink for the face and hands.
6. Attach the white circle to the Cherry Cobbler Circle and pop up with Dimensionals onto the card front.
