Instructions:

1. Wrap ribbons around front part of the Rich Razzleberry card base and secure to the front with Tear & Tape Adhesive.
2. Die-cut Happy Birthday Thinlits greeting using the Big Shot and Basic Gray cardstock.
3. Stamp large and small outline images of the flowers randomly in the upper left and bottom right corners using Rich Razzleberry and Bermuda Bay inks. Add the bold images to the outline images. TIP: stamp the bold images off twice before adding them, this creates a much lighter image and makes the outline image pop.
4. Repeat this process with the larger flowers in Bermuda Bay on a scrap, fussy cut them out and add them over a few of the Bermuda Bay flowers for some dimension.
5. Add the small leaves with Old Olive, stamping some of them off first.
6. Add the die-cut greeting to the center of this layer with Dimensionals. Adhere the layer to the Basic Gray mat with SNAIL.
7. Mount layers to the card base with Stampin' Dimensionals.
8. Add a few Gimmer Enamel Dots.
