Measurements:

Spooky Night DSP: 3" x 3" of orange piece with black tree

Wood Textures DSP: two of the same piece

Burlap Ribbon: 10"

Linen Thread: 8"

Instructions:

1. Cut 3x3" tree image from Spooky Night DSP. You can get 16 pieces per DSP sheet.
2. Using Grey ink, stamp owl so feet are resting on tree branch.
3. Using Black ink, stamp "happy owl-oween" onto owl.
4. Using Pumpkin Pie marker, color in beak and feet. Using black marker, color in white around eyes. Attach small black rhinestone into center of each eye. Set aside.
5. Using Treat Bag Thinlits, cut out bag shape from two of the same wood patterns from the Wood Textures DSP, then assemble using Tear & Tape Adhesive.
6. Put one Stampin Dimensional on each corner on the back of stamped DSP square and adhere to bag front.

7. Thread 10" piece of Burlap Ribbon around bag, through owl piece and tie linen thread into a bow around ends of burlap. Trim off as desired.
8. Attach three Black Rhinestones to bottom of bag.
9. Cut 8-10 1/8" strips of Pumpkin Pie Cardstock. Roll around end of a pencil to create a curled piece, or use a Crimping tool.
10. Put SNAIL on one end of curled pieces and attach to inside of bag. You might need to re-curl strips once strips are positioned.
