Instructions:

1. Stamp the greeting at the bottom of the Very Vanilla card stock in Cherry Cobbler ink.
2. Adhere the This Christmas Speciality Designer Series Paper to the Very Vanilla card stock in the center. Then wrap Washi tape above (three rows) and below (one row) the Designer Speciality Series Paper strip.
3. Using three strands of the Baker's Twine Combo Pack, wrap them as one unit around the center of the card stock, and tie a bow at the side. Add to the Cherry Cobbler card base.
4. With the smaller piece of Very Vanilla card stock at an angle, like a diamond shape, stamp the holly branch image in Garden Green ink.

5. Stamp six of the smaller holly leaf image onto a scrap of Garden Green card stock, in Momento Tuxedo Black ink. Allow for the configuration of the punch when stamping. Punch each of the six images out. Adhere them over the stamped branch image with Mini Glue dots.
6. Color five medium sized rhinestones with a Red Sharpie. Add them to the holly image.
7. Stamp the bow image in Momento Tuxedo Black Ink. Punch out. Adhere with two half-size dimensionals.
8. Wrap two pieces of Washi tape around the tip of the Very Vanilla card stock with the holly branch image. Adhere this piece to the Cherry Cobbler square piece of card stock.
9. Add the stamped image to the card front, over the designer paper and washi tape and ribbon, with four Dimensionals.
