Instructions

1. Use the Big Shot to emboss the 4" x 5 ¼" piece of Cherry Cobbler cardstock with the Softly Falling embossing folder. Attach to card base. Adhere the Very Vanilla 4" x 5 ¼" piece to the inside of the card.
2. Use the Big Shot to cut out the wreath shape, the pine boughs, berry stem and the word Joy.
3. Make a "swag" with the pine boughs and berry stem- attaching different pieces with glue dots.
4. Use Dimensionals to attach wreath to card front. Use fine tip glue pen to attach Joy to card front.
5. Unravel the Vanilla thick bakers twine - use one strand, and add this to two pieces of linen thread to create a bow. Tie mini pine cone onto bow and attach to the wreath with a glue dot.
6. Use the Wink of Stella and "paint" the wreath and the word Joy to create some shimmer.
