Instructions:

1. Stamp the single Lasting Lily stem using Old Olive ink on the 3-1/2" x 4-3/4" Whisper White cardstock layer. Stamp the twist, large leaf image using Old Olive ink, along the stem.
2. Stamp the stem/leaf image using Old Olive ink next to the previous stem.
3. Stamp the full Lasting Lily flower image using Poppy Parade ink on each of the stems.
4. Adhere the Whisper White layer to the 3-5/8" x 4-7/8" Poppy Parade layer.
5. Stamp the Lasting Lily greeting using Basic Gray ink on Whisper White scrap cardstock. Die cut the greeting using the label from the Lakeside Framelits.
6. Using the Detailed Trio Punch, punch a small hole on each side of the die cut label. Thread the ribbon through the holes, wrapping it around the cardstock layers. Finish by tying a bow on the left-hand side as shown.
7. Adhere the cardstock layer to the Whisper White card base using Dimensionals.
