## Instructions:

1. Score and fold the Night of Navy cardstock at 5-1/2". Run the front through the Stampin' Cut & Emboss with the Bark 3-D Embossing Folder.
2. Die-cut the Designer Series Paper with the large detailed die, then position inside the Hybrid folder and run through the machine to get the embossed texture on it.
3. Cut the Basic White with the large frame die. This will create a "shadow" behind the Designer Series Paper.
4. Die-cut the stitched rectangle piece.
5. For the card assembly, place the detailed die-cut to the Basic White piece with Multipurpose Liquid Glue and adhere to the card front.
6. Stamp the sentiment on the stitched rectangle panel with Night of Navy ink.
7. Wrap the Simply Elegant Trim around your fingers, then add it to the back with Stampin' Dimensionals as shown. Place on the card.
8. Add a few of the Brushed Metallic Dots.
9. Tap the Wink of Stella pen over the card for some flecks of shimmer.
