Measurements:

- Pool Party card base: 4-1/4" x 11", scored at 5-1/2" then folded plus a piece 4" x 5-1/4"
- Watercolor Paper: 3-1/2" x 3-1/2" and 2" x 2" plus a small scrap
- Dazzling Diamonds Glimmer Paper: about 4" x 3"
- Twine: about 1-3/4" plus about 4" to tie a small bow
- Pool Party ribbon: 5"

Instructions:

1. Stamp Moon Baby image without the star onto the bottom of a 3-1/2" x 3-1/2" piece of Watercolor Paper in Archival Black ink & die-cut with the Layering Circles Framelits.
2. Color with Daffodil Delight, Bermuda Bay and Melon Mambo Watercolor Pencils, then smooth out color with an Aqua Painter.

3. Stamp the Moon Baby sentiment onto 2" x 2" Watercolor Paper with Archival Black Ink. Stamp single star in So Saffron over the top three times. Die-cut with Stitched Shapes Framelits.
4. Stamp the single star image onto scrap Watercolor Paper in Archival Black ink. Color in with Daffodil Delight and smooth color with an Aqua Painter. Cut out star with Paper Snips.
5. Emboss a piece of 4" x 5-1/4" Pool Party cardstock with Large Polka Dot Embossing Folder.
6. Punch 3 clouds from Dazzling Diamonds Glimmer Paper using the Tree Builder punch. Punch 3 more clouds from Vellum card stock. Adhere the vellum behind the glimmer paper with SNAIL so they are peeking out on one side. Adhere onto the embossed layer with SNAIL and trim off excess with Paper Snips.
7. Using a hobby knife and a cutting mat, carefully cut on the stitched border of the sentiment piece so that the 3/8" ribbon can slide through – you will probably cut about 5 stitched sections on each side.
8. Gently slide ribbon through and align the sentiment on the left. Adhere the circle to the embossed layer with SNAIL, then wrap ribbon ends around the back and adhere with SNAIL. Mount onto the Pool Party card base.
9. Using the hobby knife, cut a tiny slit just beneath baby's fist then thread Bermuda Bay Twine through about 1/2" and using household tape, tape Twine end to back of baby piece.
10. Using Fine Tip Glue Pen, draw a thin line of glue down from the baby's fist then quickly lay down Twine to adhere.
11. With another dab of glue, adhere the single star to end of twine so it's just dangling from the moon baby piece. Tie a ribbon with another piece of Twine and adhere. Let dry.
12. Using Stampin' Dimensionals, adhere moon baby onto card front, a little to the right and so all three clouds are peeking out.
