Basic Black: 5.5" x 8.5"

Basic Black Ribbon: 13"

Silver Mini Sequin Trim: 7"

Optional: Whisper White: 4" x 5-1/4"

Instructions:

1. Trim the large flower Memories & More card to 4" x 5-1/4", cut off right edge.
2. Trim the smaller "happy" Memories and More card to 1-7/8" x 2-7/8".
3. Adhere the Happy to a 3" x 2" Powder Pink panel.
4. Color the flower and leaf images with Light Calypso Coral, Dark Pink Pirouette and Old Olive Stampin' Blends markers.
5. Using a craft knife, trim around the three petals from the top to the lower right.
6. Wrap the Silver Mini Sequin trim around the card, secure to the back side of card.
7. Tie Black Shimmer Ribbon around the card front above the Silver trim and tie a knot off to the right. Adhere to the Basic Black card base with Dimensionals.
8. Place a stack of two dimensionals under the Right Middle flower petal that has been trimmed to make it pop up. The top flower is bent just a bit up, as it has the ribbon and trim below it, you can secure those ribbons with some mini glue dots if you want.
9. Adhere the Happy panel to the card front with SNAIL, tucking the upper left corner in below the flower petals that have been cut, so that they overlap just a bit.
10. Adhere a Clear Faceted Gem to the center of the flower.
