Pop of Pink layer: 3-1/2" x 4-3/4"

## Instructions:

1. Adhere Pop of Pink DSP to Melon Mambo layer with SNAIL. Adhere to card base.
2. Die-cut Lots of Labels or Banners shape from Whisper White card stock.
3. Wrap Pop of Pink Washi Tape around die-cut.
4. Die-cut a word from Sunshine Wishes Thinlits from Gold Foil.
5. Figure out which coordinating words you want to use with the die-cut word and stamp the last part of the phrase on the label above the washi tape in Memento Black Ink.
6. If you're doing Card #2, add the splotch image from Sunshine Sayings in Melon Mambo, stamped off once.
7. Die-cut heart or butterfly from Melon Mambo card stock using Sunshine Wishes Thinlits and adhere onto the label with Fine-Tip Glue Pen.
8. Adhere the die-cut word over the heart with Fine-Tip Glue Pen.

- 9.** Stamp first part of your chosen phrase onto Whisper White card stock, then punch with the Classic Label Punch. Make the shape smaller by punching the word close to one end, then threading that end through the punch and punching the other end again. Attach with Dimensionals.
- 10.** Add SNAIL all over the back of the label die-cut. Wrap thread around your fingers 4-5 times, twist into a figure 8 shape, then adhere to the back of the label. Fluff out the loops until they look pretty, then add Dimensionals to the back of the label and adhere to the card front.
- 11.** For Card #1, punch a Gold Foil heart with the Confetti Hearts Border Punch and adhere with Fine-Tip Glue. For Card #2, add Rhinestone Jewels.
