Shimmery White: 4-3/4" x 3-1/2"

White Velveteen: 2-1/2" x 2-1/2" for snowflake

Instructions:

1. Squeeze the closed Blackberry Bliss ink pad to get some ink on the lid. Open the pad and use the Aqua Painter to squeeze some water onto the ink. Pick up the ink and "wash" it across the 3-1/2" x 4-3/4" Shimmery White cardstock. Start light. You can always go back and add more color.
2. Once the Shimmery White cardstock is dry, adhere it to the 3-3/4" x 5" Blackberry Bliss layer and then mount onto a Thick Whisper White card base.
3. Die-cut a large Whisper White Velveteen snowflake and a small Blackberry Bliss snowflake with the Snowfall Thinlits. Attach the snowflakes using Mini Glue Dots.
4. Add a Rhinestone Jewel to the center of the snowflakes.
5. Stamp the Snow Is Glistening sentiment in Blackberry Bliss ink.
