1. Stamp the Tranquil Tulips stem and leaves in Pear Pizzazz ink onto the top of a 4" x 5-1/4" piece of Whisper White cardstock, varying the heights and leaving room for the flowers.
2. Using the largest tulip image, stamp the flowers above the stems in Rich Razzleberry, Melon Mambo and Sweet Sugarplum inks. Stamp the flower center in Memento Black Ink on each flower.
3. Stamp the smaller tulip image in the same colors onto scrap cardstock, then hand-cut with Snips.
4. Attach 4" x 2" Wood Textures DSP to the bottom of the Whisper White layer using SNAIL.

5. Wrap Fresh Fig Finely Woven Ribbon around the Whisper White and adhere to the back using SNAIL. Tie a bow using the ribbon and attach to the front with Glue Dots.
6. Adhere the Whisper White layer onto a 4-1/8" x 5-3/8" piece of Crumb Cake cardstock, then mount onto the Melon Mambo card base.
7. Stamp the All Things Thanks sentiment in Rich Razzleberry ink onto Whisper White scrap, then punch with the 1 3/4" Circle Punch. Attach it to a 2" Rich Razzleberry circle.
8. Mount the circle layer to the card front with Stampin' Dimensionals.
9. Add the smaller flower layers to the coordinating flowers with Dimensionals.
10. Add a couple Glitter Enamel Dots floating around the flowers.
