Instructions:

1. Stamp the Twinkle Trees tree onto the vellum 3 times using White Craft Ink.
2. Emboss with White Embossing Powder. Hand-cut out the trees after they are cool.
3. Stamp Twinkle Trees circles and dots randomly in Crumb Cake ink across the whisper white card layer.
4. Stamp a Christmas Pines greeting to the lower right bottom using early Early Espresso ink. Attach this piece to the crumb cake card base.
5. Attach vellum trees to the card – put your SNAIL adhesive under the embossed areas to hide it. Overlap the tree edges.
6. Add a gold twine bow with Glue Dots & embellish with Metallic Enamel Shapes.
