- Whisper White: 3" x 3" piece + scrap for sentiment
- 5 strips of 3-3/4" x 1" cardstock - cut one of each of color from the In Color pack
- Grapefruit Grove thin strip

Instructions:

1. Cut a 3-3/4" x 1" strip of cardstock for each of the In Colors. Line up the pieces and stamp the Varied Vases small flower image all over the cut pieces using VersaMark ink.
2. Adhere all of the panels to a Whisper White card base using SNAIL.
3. Using Memento ink, stamp the outlines of the Varied Vases and orchids onto the 3"x3" piece of Whisper White cardstock.
4. Using the coordinating Varied Vases solid stamps, stamp the vase on the left with Pineapple Punch ink and the vase on the right with Blueberry Bushel (stamped off once). Stamp the orchids in Grapefruit Grove.
5. Use the Smoky Slate Stampin' Write maker to draw a thin line below the vases to ground the image.
6. Die-cut the vases using the largest circle from the Stitched Shapes Framelits

7. Add to the back of the circle, then wrap Silver Metallic Thread around your fingers three times, cut, and adhere to the Dimensionals. Mount onto the card front.
8. Stamp the sentiment onto a piece of scrap Whisper White cardstock and punch with the Classic Label Punch. Punch a second label out of Grapefruit Grove cardstock. Glue the labels together, a little offset, using SNAIL. Adhere to the card using Stampin' Dimensionals.
9. Add 5 Rhinestones of varying sizes to the card.
