Measurements:

- Pacific Point Card Base 5-1/2" x 8-1/2"
- Whisper White (insert) 4" x 5-1/4"
- Window Sheet size depends on the size window you die-cut

Instructions:

1. Stamp the Playful Backgrounds bubbles in Versamark all over the front of the card.
2. Die-cut a window in the card front using the Layering Circles Framelits.
3. Adhere the Whisper White insert on the inside of the card. Close the card and use a pencil to lightly mark the opening, so you know where to stamp inside.
4. Die-cut a ring of Silver Foil using the Layering Circles Framelits; inner circle the same as the window opening, outer circle a couple sizes larger.
5. Use the handheld punch and make small holes around the foil ring.
6. Adhere the silver ring to the front of your card with SNAIL.
7. Adhere Window Sheet on the inside of the card with Glue Dots on each of the four corners.
8. Stamp the submarine image in black ink. Color in with markers.
9. Punch three 1/2" circles from Pacific Point cardstock adhere to the sub and cover with Wink of Stella.
